DATE MAILED:

04/15/97

Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents.

1. The communication filed on 12/10/96 is non-responsive to the prior Office action because applicants response does not respond to the obvious type double patenting rejection of copending applications 08/475,784; and 08/477,097 (item 5; page 3) as set forth in the prior Office Action. Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a TIME LIMIT of ONE MONTH from the date of this letter or within the time remaining in the response period of the last Office action, whichever is longer. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 CFR 1.136(a) OR (b), but the period for response set in the last office action may be extended up to a maximum of SIX MONTHS.

Any inquiry concerning this communication should be directed to Dr. Anthony C. Caputa, whose telephone number is 703-308-3995.
